

## SUPPORT PRINCIPLES

# For children with mobility impairment

To receive support for the purchase of technical aids (fully or partially), you need:

### 1. *Recommendation from CCUH*

A report from the Childrens' Clinical University Hospital stating the need for the specific technical aid (copies are also accepted)

*P.S. Report from Rehabilitation Center POGA is also accepted.*

---

### 2. *Decision by NRC "Vaivari"*

The copy from the official decision by the National Rehabilitation Centre "Vaivari" Technical Aid Centre stating the amount of state financial support for the specific technical aid (if state support is provided)

---

### 3. *Application*
